Highlights

Autocleaning and de-scaling

Easy to use includes easy maintainance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your automatic espresso machine.

Dishwasher safe Milk Carafe

Dishwasher safe Milk Carafe

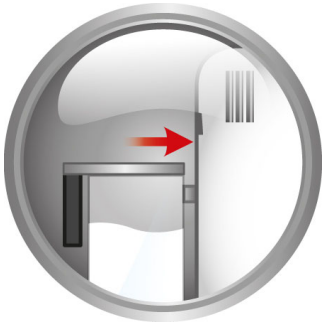
One touch cappuccino

With the integrated automatic milk frother you can enjoy your favourite Cappuccino just with the touch of a button.

Color coded user interface

Enjoy direct and clear interaction thanks to the self-explanatory icons display. For maximum convenience the icons are colored according to the thrafflic light colors: Red requires action, Yellow means the coffee machine is "busy" (like heating up). Green is ready to use.

Integrated automatic milk



Enjoy your milk specialties without any stop: it is possible to refill the carafe with milk even while the integrated milk frother is plugged in and working.

Memo function

You will always get a perfect cup brewed just for you, according to your personal preference, thanks to our Memo function with adjustable length, strength and temperature. Pressing a button is all you'll need to do to enjoy a superb beverage in your favourite cup.

100% Ceramic Grinders

Our ceramic grinders never overheat, ensuring you a perfect grinding, long-lasting performance and totally silent operation
